REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The instant application discloses a clock generation apparatus. An exhaustive search of prior art records has failed to disclose a clock generation apparatus comprising; "rise time detection means for detecting a rise time as a time of intersection of the threshold and a line connecting two values of the digital signal, one of the two values being lower than the threshold and another of the two values being higher than the threshold, when the digital signal changes from the lower value to the higher value; input rate detection means for obtaining time intervals between adjacent rise and fall times during a predetermined period, and outputting a minimum value of the time intervals as an input rate of the analog signal" along with the remaining limitations of claims 2 and 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CONCLUSION

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lawrence B Williams whose telephone number is 571-272-3037. The examiner can normally be reached on Monday-Friday (8:00-5:00).
